Dear Outdoors Enthusiast,

The 5th **Annual Manitoba Outdoors Show** which was held March 11-13th, 2022 at the Red River Exhibition Place was a success with 5500 adults attending compared to 2,900 the first year. The feedback received from guests and exhibitors was very positive.

The 6th Annual Manitoba Outdoors Show will take place on **February 3-5th, at the Red River Exhibition Place in Winnipeg, MB.**

The goal of the Manitoba Outdoors Show is to **"promote a healthy and adventure filled lifestyle for the whole family"** by giving exhibitors the opportunity to showcase their products and services related to the outdoors.

A key component of this event is the **interactive & demonstration area** where guests can participate, and be educated on a variety of outdoor activities including kayaking, archery, paddle boarding, fly fishing, cycling, scuba, target shooting, cycling etc.

With the support of the outdoors community, this event will continue to grow and provide information and inspiration to "get off the couch and try something new."

I would like to invite you to be a part of the growth of this local event by becoming involved as a sponsor and/or exhibitor.

Your feedback regarding the Manitoba Outdoors Show is very important and appreciated.

Looking forward to hearing from you.
